Autumn Term Extra-Curricular Clubs

Dear Goonhavern Families,

We are delighted to share our exciting extra-curricular club offer for the Autumn Term. We are incredibly proud of the wide range of opportunities available to our pupils this term, providing them with chances to develop new skills, pursue their interests and enjoy spending time with friends beyond the school day.

All clubs will begin next week. The booking link will be sent to parents and carers **tomorrow morning**, and places will be allocated on a first-come, first-served basis where applicable. We encourage families to discuss the club options together this evening so that children can decide which activities they would most like to take part in before bookings open. This will help ensure a smooth booking process and give every child the opportunity to sign up for clubs that match their interests and talents.

Please find the full list of clubs below:
